

CALL FOR VOLUNTEERS

One of the world's largest materials conferences, EUROMAT, will be held 1-5 September 2019 in Stockholm with expected attendance of more than 2000 participants from all over the world. The Managing Committee of EUROMAT 2019 is now accepting applications from volunteers who are willing to assist with the organization of EUROMAT 2019, becoming part of this exciting international event and this vibrant experience. EUROMAT 2019 volunteers will have the opportunity to network with world-class scientists presenting recent advances in emerging materials-related topics, as well as experience the organization of a major international event.

Applications should be submitted at:

<https://reg.akademikonferens.se/euromat2019/registrationvolunteers>

Benefits for Volunteers:

- Access to all scientific sessions
- Access to the exhibition halls
- A set of conference material
- Certificate of Attendance
- Lunch and coffee each day of participation
- Acknowledgement in the EUROMAT 2019 Conference program

Obligations for Volunteers:

- Occupy a specific station during two days, each for a period of up to six hours, which make the volunteer eligible to one day free attendance to the conference. The preferred days should be stated when applying to become a volunteer.
- Wear the official EUROMAT 2019 T-shirt and jeans while on duty
- Convey information to attendees based on the written instructions received from the organizers
- Arrive at least half an hour prior to their scheduled time at the Conference Venue
- Read, study & follow the volunteer's manual, which will be sent by the organizers by 1st of August
- Participate at the Volunteer's briefing, which will be organized a few days prior to the Conference
- Be helpful and willing throughout their volunteer time

Applicants should:

- Have a very good command of the English language
- Be punctual
- Have a pleasant personality
